

## Street Parks Application

Submit this application to request that your greening project be included in the Street Parks program. Through the Street Parks program, you are eligible to receive benefits and services for the improvement of your green open space. By joining the Street Parks program, you agree to work with the Department of Public Works (DPW), the San Francisco Parks Alliance (SFPA), and your community to create and maintain your green open space. (Please note: the Street Parks program does not provide funding.)

After your application is received, SFPA will contact you to schedule a meeting at your site to discuss your plans, and to explore if there are ways we can work together to improve your site.
